

2013 – 10th Grade Centralized Exam report:

The tenth grade exam was conducted on Sunday, November 17th 2013 at predetermined centers within the Archdiocese. Proctor services were arranged with the help of several volunteers. The format of the central exam of 2013 was well received both by teachers and students. Please join in thanking our beloved Thirumeni, CEP Director Rev. Dn. Vivek Alex, TSP Director Dr. Robin Chirackal and all 2013 Sunday school Board for taking time to prepare and review the question booklet. Preparation and distribution of the question booklets were on time. Answer sheets were evaluated at our Aramana. Volunteers from various churches assisted with evaluation and tabulation of the answer sheets. Results were published ahead of the target date. A thorough analysis of the exam and results were done. This helped to figure out the strengths and weaknesses of our curriculum.

80 students from various churches in this Archdiocese took the two hour long centralized exam that was proctored on the same day same time. The top three rank holders scored over 90% and they are:
